In order to brainstorm ideas and delegate work areas we would like to put
together a Volunteer Executive Committee that meets once a month?

Are you interested? ____

We are **particularly** looking for volunteers for elementary lunch and recess.
This would be a 45 minute commitment as many times a week as you can
afford. It would entail 30 minutes in the lunchroom and 15 minutes on the
playground and would last until Christmas. You may choose to continue
next year or switch off with another volunteer. Even if you could commit
to only one day a week we would be greatly appreciative!!!

Please check if you are interested: ____

If you are a parent of a student attending WCS please fill out the following:

Name of Student: _____

Grade of Student: _____

We would also like to tap into your expertise and experience. We are looking for testimonies and demonstrations that would be informative and interesting to our students. Last year, for instance, a few of our Westside church members gave testimonies of how they became Christians and what God has done in their lives. Other volunteers gave one-time how-to lessons: how to filet a fish, how to crochet, how to use hand tools, etc.

A local doctor came in and talked about the heart while allowing students to listen through his stethoscope. He also gave a talk about our Founding Fathers.

Other volunteers talked about their travels to different countries and showed pictures and passed around souvenirs.

We would LOVE for you to come in and give a one-time talk, demonstration or testimony for our students as we have some very talented and interesting people in our community. Perhaps you have a special and/or interesting job that you would like to talk about. Perhaps you could spare a little time each week to teach knitting, auto mechanics, carpentry or pottery. Maybe you would like to read to a group of elementary children. Whatever it is you would like to pass along to the next generation - as long as it is in alliance with our school philosophy of Christian education - we are interested!

Please contact Mrs. Harris and let her know what you have in mind – or, perhaps you can recommend someone who you think would be a great asset to an assembly or individual class. We are also open to fieldtrip ideas.

Please return this form to Dr. Jones' office or to Mrs. Harris' mailbox. Also, you may reach Mrs. Harris by e-mailing her at addielovesme@gmail.com or calling 727-596-1111.
