

## **SCHOOL LUNCHES**

**Lunch can be purchased at Westside from one of our vending machines. (see options/prices below)**

**Additionally, lunches can be pre-ordered through "A Fresh Choice" (click on link on WCS Website) and will be delivered to school.**

**Periodically, we have days that we offer special lunches, (IE: pizza days, etc) Special lunch days will be posted on the WCS Website.**

**ATTN: Elementary Parents: Your child's teacher will help him/her with their monies in the vending machines. In order to keep things simple, we like to collect lunch money only once a week, on Monday mornings. Please put your child's lunch money in an envelope, along with any notes regarding their lunch, if necessary, and have your child give their envelope to their teacher. Thanks**

**~~~~~**

**Additionally ~ There is always a great need to have a parent in the lunchroom from 11:00 a.m. - 12: noon every day. Many times, teachers have foregone their lunch break because they are with the students that whole time. If you can do 1 day a week or a month, that would be a great help and it counts toward your annual volunteer hours. Contact the school office to schedule your time. Thanks so much!**
